

Tall Ships Parade and Departure – Saturday 2. August

Saturday the Tall Ships Races Kristiansand 2025 has come to an end, and it's time to say goodbye to the ships, their crews, and fellow sailors.

The ships will begin leaving the docks at 09:00.

At 12:00, they'll set sail from Kristiansand and head out through Vestergabet in a spectacular farewell parade, marking the end of this year's event in the city. It's a sight you won't want to miss – majestic sailing ships gliding out of the harbor, flags waving in the wind.

Great viewing spots

You'll get a fantastic view of the parade from Odderøya and the Cannon Museum, with a great vantage point to watch the ships as they sail toward Vestergabet. For an even closer experience, you can join the parade by boat and see the ships up close on the water.

Just a reminder: we sent out an email shortly before 14:00 on Friday with details about Saturday's press boat.

Please note: The road past Odderøya Amfi (Wilhelm Rosenvollds vei) will be closed due to the "We Love The 90s & 2000s" event taking place in the amphitheater.

The press center will close at 12:00 on Saturday.

Thanks for being part of it – and see you next time!
